

Your Santa Care

Santa Care includes:

- an inspection and evaluation of your item(s)
- repair of *routine* wear and tear to lace and foundation
- filling in of lost hair in keeping with routine wear and tear
- thorough washing of all pieces
- an identification label if your wig does not already have one
- cleaning of lace edges
- full restyling to your specified “look”
- return shipping

The goal of Santa Care is to clean and restyle your pieces, while ensuring they stay in tip top shape for many years to come.

Santa Care does not include:

- Significant repair to pieces caused by improper care or handling
- Significant addition of hair outside the scope of your original order

We are happy to do those things, but an additional charge will be assessed. There is space on your enrollment form to request a significant addition of hair or to detail areas of damage or concern.

Ordering New Items

There is a space to order mustaches and eyebrows and supplies at the discounted Santa Care rate at the end of the form. The special rate is available only when using this form. Just mark the quantity needed and add the total to your enrollment fee, and when we send out your freshly cleaned and styled set, we'll also send the new pieces.

How to Enroll

Please print out the form, fill it out and return it with your item(s). You do not need to include this page. We cannot process your items without the form. The form should be printed and included in the box with your set.

The enrollment costs can be paid by sending a check for the total amount due or by credit card. If you choose the credit card option, you may choose to have an invoice emailed to you or to include your card information on the form where indicated. International clients will need to pay via paypal (an invoice will be sent via email)

When your item(s) is returned, it will also include an assessment from Beth, our Santa Care Coordinator, letting you know what was done to your item(s) and providing any feedback on the condition of your set when we received it - she'll also let you know if any areas of your items are likely to need more significant repair or refurbishment in upcoming seasons.

How to Ship Your Items

Please be sure the parcel and the contents are clearly labeled with your name, and that you have included the printed enrollment form in the box. We highly recommend using Priority Mail with insurance to send your set. It will provide you with tracking information, fast delivery and coverage in the event your parcel is damaged. We suggest using the delivery confirmation/signature requirement for your package when possible.

**The mailing address is:
4615 S. Third St.
Louisville, KY 40214**

Due to the high volume of sets we receive for Santa Care, we cannot track incoming shipments, so we advise you to keep an eye on your package so you can be sure it arrives safely. Please note that we cannot be responsible for any package that is lost or damaged in transit.

If you send mustaches or eyebrows ("small goods") for cleaning, please be sure they are in an envelope with your name and the quantity of pieces marked on it. Mustaches and eyebrows are much more fragile than wigs or beards, and cannot always be fully cleaned or restored. Beth, our Santa Care Coordinator, will contact you if she has concerns about the condition of your small goods.

Please ship your items to us in a box that is at least 8x8x8. If you still have the original box we shipped your set in, you'll find it's a great way to return the set to us. It might seem fussy for us to put a size recommendation on here, but it's not good for your set to be packed in a box that is too small for it. You want a box that allows just enough room for the items without having to stuff them in.

To safely send your items, please wrap them in tissue paper and put them in the box. The beard can be wrapped in tissue and placed in the wig, with another piece of tissue wrapped around both. It is not necessary or desirable for you to use bubble wrap or other heavy duty packing materials. Please do not use packing peanuts! They are unnecessary and generate a lot of static, which makes it harder for us to remove your items, resulting in messier hair.

Please send only your wig, beard or small goods - do not include headblocks or carrying/storage cases.

We encourage you to send your items before March 31, 2020 and offer the service at a reduced rate if you do so. Items sent after April 1, 2020 will be accepted as long as there is space remaining in our Santa Care queue. No items can be accepted after July 1, 2020 without Beth's pre-approval on first come, first served evaluation.

Keep these first two pages for your records, you only need to include the three final pages. If you have any questions about Santa Care or your items' enrollment, please email Santacare@customwigcompany.com.

Please indicate the quantity of each you are sending:

_____ Wig(s) _____ Beard(s) _____ Mustache(s) _____ Eyebrows (pairs)

Have you noticed any wear and tear on your set or do you have any areas of concern? If need be, feel free to include a photo. You may also email photos to Santacare@customwigcompany.com.

Are there any alterations or adjustments wanted on your set at this time? If so, please specify and feel free to include or email additional pages or include photos. Alterations or adjustments that require significant changes to your set will incur additional costs – Beth will email you the details and costs prior to making any changes.

Has your piece(s) sustained any stains, such as makeup or adhesives? Please be advised that an excessive buildup of adhesive or makeup stains may prove impossible to remedy - we will do everything we can to clean the lace, but may halt cleaning if we fear it will damage the lace to continue. Beth will contact you before starting any work if this is the case, and let you know what options are available.

If your beard has an elastic strap, does it fit correctly and comfortably? If not, we can adjust the length if

you provide a measurement. We can add an elastic strap if you do not have one, just provide a measurement from ear-to-ear over the top of your head. There is a space at the end of this form to indicate you'd like a strap added or replaced, the cost of which is \$5.

Unless otherwise noted here, we will re-style your set for the 2020 season based on your most recent style. Should you wish any changes to how your set is styled, please list them here, include a photo or email pictures. You may also reference pieces from our Style Guide if you wish to have the style of your pieces changed.
